

January 16, 2012

Dear Valued Customer,

As we enter into a new year, we continue to be faced with the rising cost of raw materials, transportation and other business expenses. Therefore, we are forced to introduce a price increase to offset some of these rising costs. **Effective February 20<sup>th</sup>, 2012** a price increase will go into effect for the following items:

<b>Product Category</b>	<b>Amount of Increase</b>
Grouting and Anchoring:	2%
Restoration and Repair:	4%
Floor Products:	4%
Bonding Agents/Admixtures:	5%
Concrete Curing:	8%
Concrete Sealing* (except Hydrasheen 15% and 30%):	5%
Hydrasheen 15% and 30% (all sizes):	15%
Form Release:	7%
Epoxy:	5%
Misc:	2%

\*CS-25 and CS-30 are not included in this increase.

US SPEC will continue to work to provide our customers with top of the line products and service. Please be aware that if current cost increases continue, we may be forced to institute subsequent increases.

Sincerely,

John McHugh  
General Manager, US MIX Co.
